On the Case with Dr. Jonathan Samuelson

Like an autopsy in human medicine, a necropsy allows veterinarians to glean a wide range of information about a deceased patient. What steps are involved in performing a necropsy? And why would a necropsy be needed? Dr. Jonathan Samuelson, an anatomic pathologist at the University of Illinois Veterinary Diagnostic Lab has the answers.

Hold the date of **November 30th at 7:00 PM** for a Zoom with former MA 4-H dairy alum, Jonathan Samuelson, DVM – University of Illinois – Champaign – Clinical Assistant Professor and Head of VDL Histology. Dr. Samuelson will be discussing his path to vet school and how he chose to specialize in the field of Histology.

We are seeking Summer of Science (SOS) Youth Leaders to join the Committee that is planning and running the 2024 Explore UMass Program!

SOS Youth Leaders are a group of selected young people, between the ages of 15 and 18 who serve as members on the Explore UMass Committee. SOS Youth Leaders assist in planning, implementing, and overseeing the Explore UMass program. The SOS Committee is a youth-adult collaboration that meets once a month in the evening on a conference call to plan the event. SOS Youth Leaders lead the Sunday “Welcome to UMass” which is an hour of group building activities that help participants get to know each other. Other responsibilities during the program include: making announcements, assisting with room checks, keeping track of their assigned group of participants and always modeling good character and behavior.

Up to 2 photos can be submitted each week per person – we know that it can be difficult to choose, but we know you can do it!

The New 4-H Year is Underway!

The 2024 4-H year has officially begun!. All youth and adult volunteers are required to re-enroll each year if they plan to continue participating in 4-H. **Re-enrollment is open for all clubs whose financial reports have been accepted by regional offices. Club leaders who have outstanding reports, please submit them ASAP.** Returning members and volunteers may re-enroll in 4honline or they may complete a paper enrollment packet (available at regional offices). New 4-H members need to complete paper enrollment forms.

Re-enrollment FAQs

When Do I Enroll?

After 10/15/23, 4-H members and volunteers can log into 4honline and re-enroll.

Why Do I Need to Enroll?

Both 4-H youth members **and** volunteers need to re-enroll each year to be covered by 4-H accident insurance and to participate in any 4-H program. Click [here](#) for more information on how to navigate re-enrollment in 4honline.

- ✿ **Members:** To be fully enrolled to participate in club meetings and events you must be re-enrolled and have paid your membership fee or have an approved waiver. If you need paper copies of the enrollment or fee waiver forms, your regional office can email or mail them to you.
- ✿ **Volunteers:** There is no fee for volunteers to re-enroll, but you must update your contact information and agree to the current 4-H policies via the re-enrollment process.

What if I Have Never Re-enrolled Online or Forgot How to Do It?

- ✿ If you are a current 4-H member, you already have an account/profile. This was set up by your local office when you enrolled for the first time with your paper enrollment forms.
- ✿ If you have not logged in and set your password, now is the time to work with your office to make sure you are all set to log in.
 - Forgot your email associated with the account?** We can look up the email used to register. Do **not** set up a new account. Contact us.
 - Forgot your password?** You can request one or the office can trigger action for a new password and send you a temporary one. Contact us.

Where Do I Pay?

Even though 4honline has an embedded payment portal, as a UMass Amherst program, we use the University payment portal, instead of the 4honline payment feature. Therefore, when enrolling in 4honline, you **MUST** select Non-electronic/check payment, even if you plan to pay electronically with a credit card.

- ✿ If paying by check, mail to your regional office and they will enter your payment information into the system.
- ✿ If paying by credit card, use the [UMass link](#) and offices will get notified when your payment gets processed.

How will I know I am done with the enrollment process?

Once both enrollment information and payment are processed, the office will approve your membership and send you confirmation that your enrollment is complete.

What if We are a Current 4-H Family and Want to Enroll a New Member?

If you have new members in your family, you will need to complete a paper packet for them. Contact your regional office for a paper enrollment packet.

What if I Want to Enroll for the First Time as a Volunteer?

Those interested in becoming new volunteers can reach out to their regional office for an application packet and to register for an onboarding orientation Zoom session.

Why Should I Stay Subscribed to Receive Emails?

Please stay subscribed. If you select "Unsubscribe" from email, you will not get NewsBlasts, reminders of events, or relevant project/program specific information except in the case of critical information when that needs to go out to all families. The biweekly NewsBlast is the main source of consistent information regarding upcoming programs and registration information/deadlines. We also use the database to provide information to select groups for opportunities based on age and project specific events.

Community Service

Is your club interested in supporting youth affected by the fires in Hawaii?

Maui County 4-H clubs are focused on supporting the youth that are currently living in hotels on the island. They are looking for activities to do and this is an area where 4-H shines! They are coordinating a delivery of messages and activities (coloring books, worksheets, cards, games, etc.) to deliver as part of our holiday community service. Please consider making a contribution that would be extra special for the youth in Maui this holiday season.

For those who feel crafty, you might want to create a Zen tangle or mandala that could be shared as a coloring page and you could then also enter it into the MA 4- STEAM Festival.

The Maui County 4-H staff need to have contributions no later than 12/8, so if your club is interested, please reach out to [Kim Pond](#) for the address and more information.

November is Military Family Appreciation Month

Contact [Kim Pond](#) to explore ways to honor Military families throughout the month.

Massachusetts 4-H Foundation

Does your Club Need Some Extra \$\$\$?

The Massachusetts 4-H Foundation provides direct support to enrolled 4-H clubs and program councils in Massachusetts in the form of club/council grants. These grants are available for special projects or needs that the group has that support the educational program and 4-H priorities. Each 4-H Club is eligible for one grant per calendar year.
