Healthy Fruit \$75 (electronic delivery only)

Healthy Fruit is a timely newsletter that includes information on tree-fruit horticulture, pest management, and related topics. The primary reader is the commercial grower, but anyone growing fruit trees will benefit. Healthy Fruit is published weekly or biweekly from April through September and periodically throughout the rest of the year (meeting announcements, fact sheets, updates, etc.)

Fruit Notes \$35 (electronic delivery only)

Fruit Notes (ISSN 0427-6906) is published four times per year by the Stockbridge School of Agriculture, University of Massachusetts Amherst. Fruit Notes focuses primarily on tree-fruit culture but addresses small-fruit problems occasionally. Most reports are from current research at the University of Massachusetts and other universities.

New England Small Fruit Management Guide \$35

The 2022-2023 Edition of the New England Small Fruit Management Guide is a must-have for anyone managing diseases, insects, and weeds in commercial small fruit crops including strawberry, blueberry, brambles, currants and gooseberries, and grapes. At 153 pages, it is a cooperative publication of the New England Vegetable and Berry Growers Association and the Universities of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont. Note that the Guide is also available for free online: <https://ag.umass.edu/fruit/ne-small-fruit-management-guide>
